

## For BANAR Co-ordinator

Thank you for your help in distributing the Banar in Blackburn Hamlet.

Each home in Blackburn Hamlet receives a Banar. Caution must be given to homes located on corner lots—they are easy to miss because it is unsure which street they are on.

Please ensure the Banar is placed in the mailbox and not left on the front step or sidewalks.

The Hamlet delivery has been broken down into 16 routes. It is estimated that each route takes 1 to 1.5 hours to deliver but actual time depends on the number of kids/adults and how fast they are. Please print out a copy of each route and then highlight the streets they will deliver to with a colour marker. It will help them see their route more easily.

Please ask all of the people delivering the Banars to contact you, the coordinator, when delivery to their area has been completed and ask them to return any leftover Banars to you as I would like to have any leftover Banars to I can refill at Metro and Tim Hortons.

**Ask if there were any problems and please pass the information to me so I can make instructions clearer and/or correct the numbers. Thank-you and hope that this fundraising activity for your group is a positive one and fun!**

Please return the remaining Banars when done to:

20 boxes of Banars are delivered to the co-ordinator by Performance Printers on Thursday/Friday and are to be delivered to Blackburn homes and businesses by Sunday evening.

You may need to finish delivery on Monday as some businesses are closed on the weekend.

Performance has your address and phone number and will call when ready to deliver. Email Jackie Hewitt Friday morning at: [jhewitt@perfprint.ca](mailto:jhewitt@perfprint.ca) if you need to know approximately what time. You can leave a note on the door if you wish them to put them in the garage.
